

about tomorrow

What can we do to fight climate change?

Annual CO₂ emissions

1850

1950

2000

30 billion t CO₂

2019

What are we trying to achieve

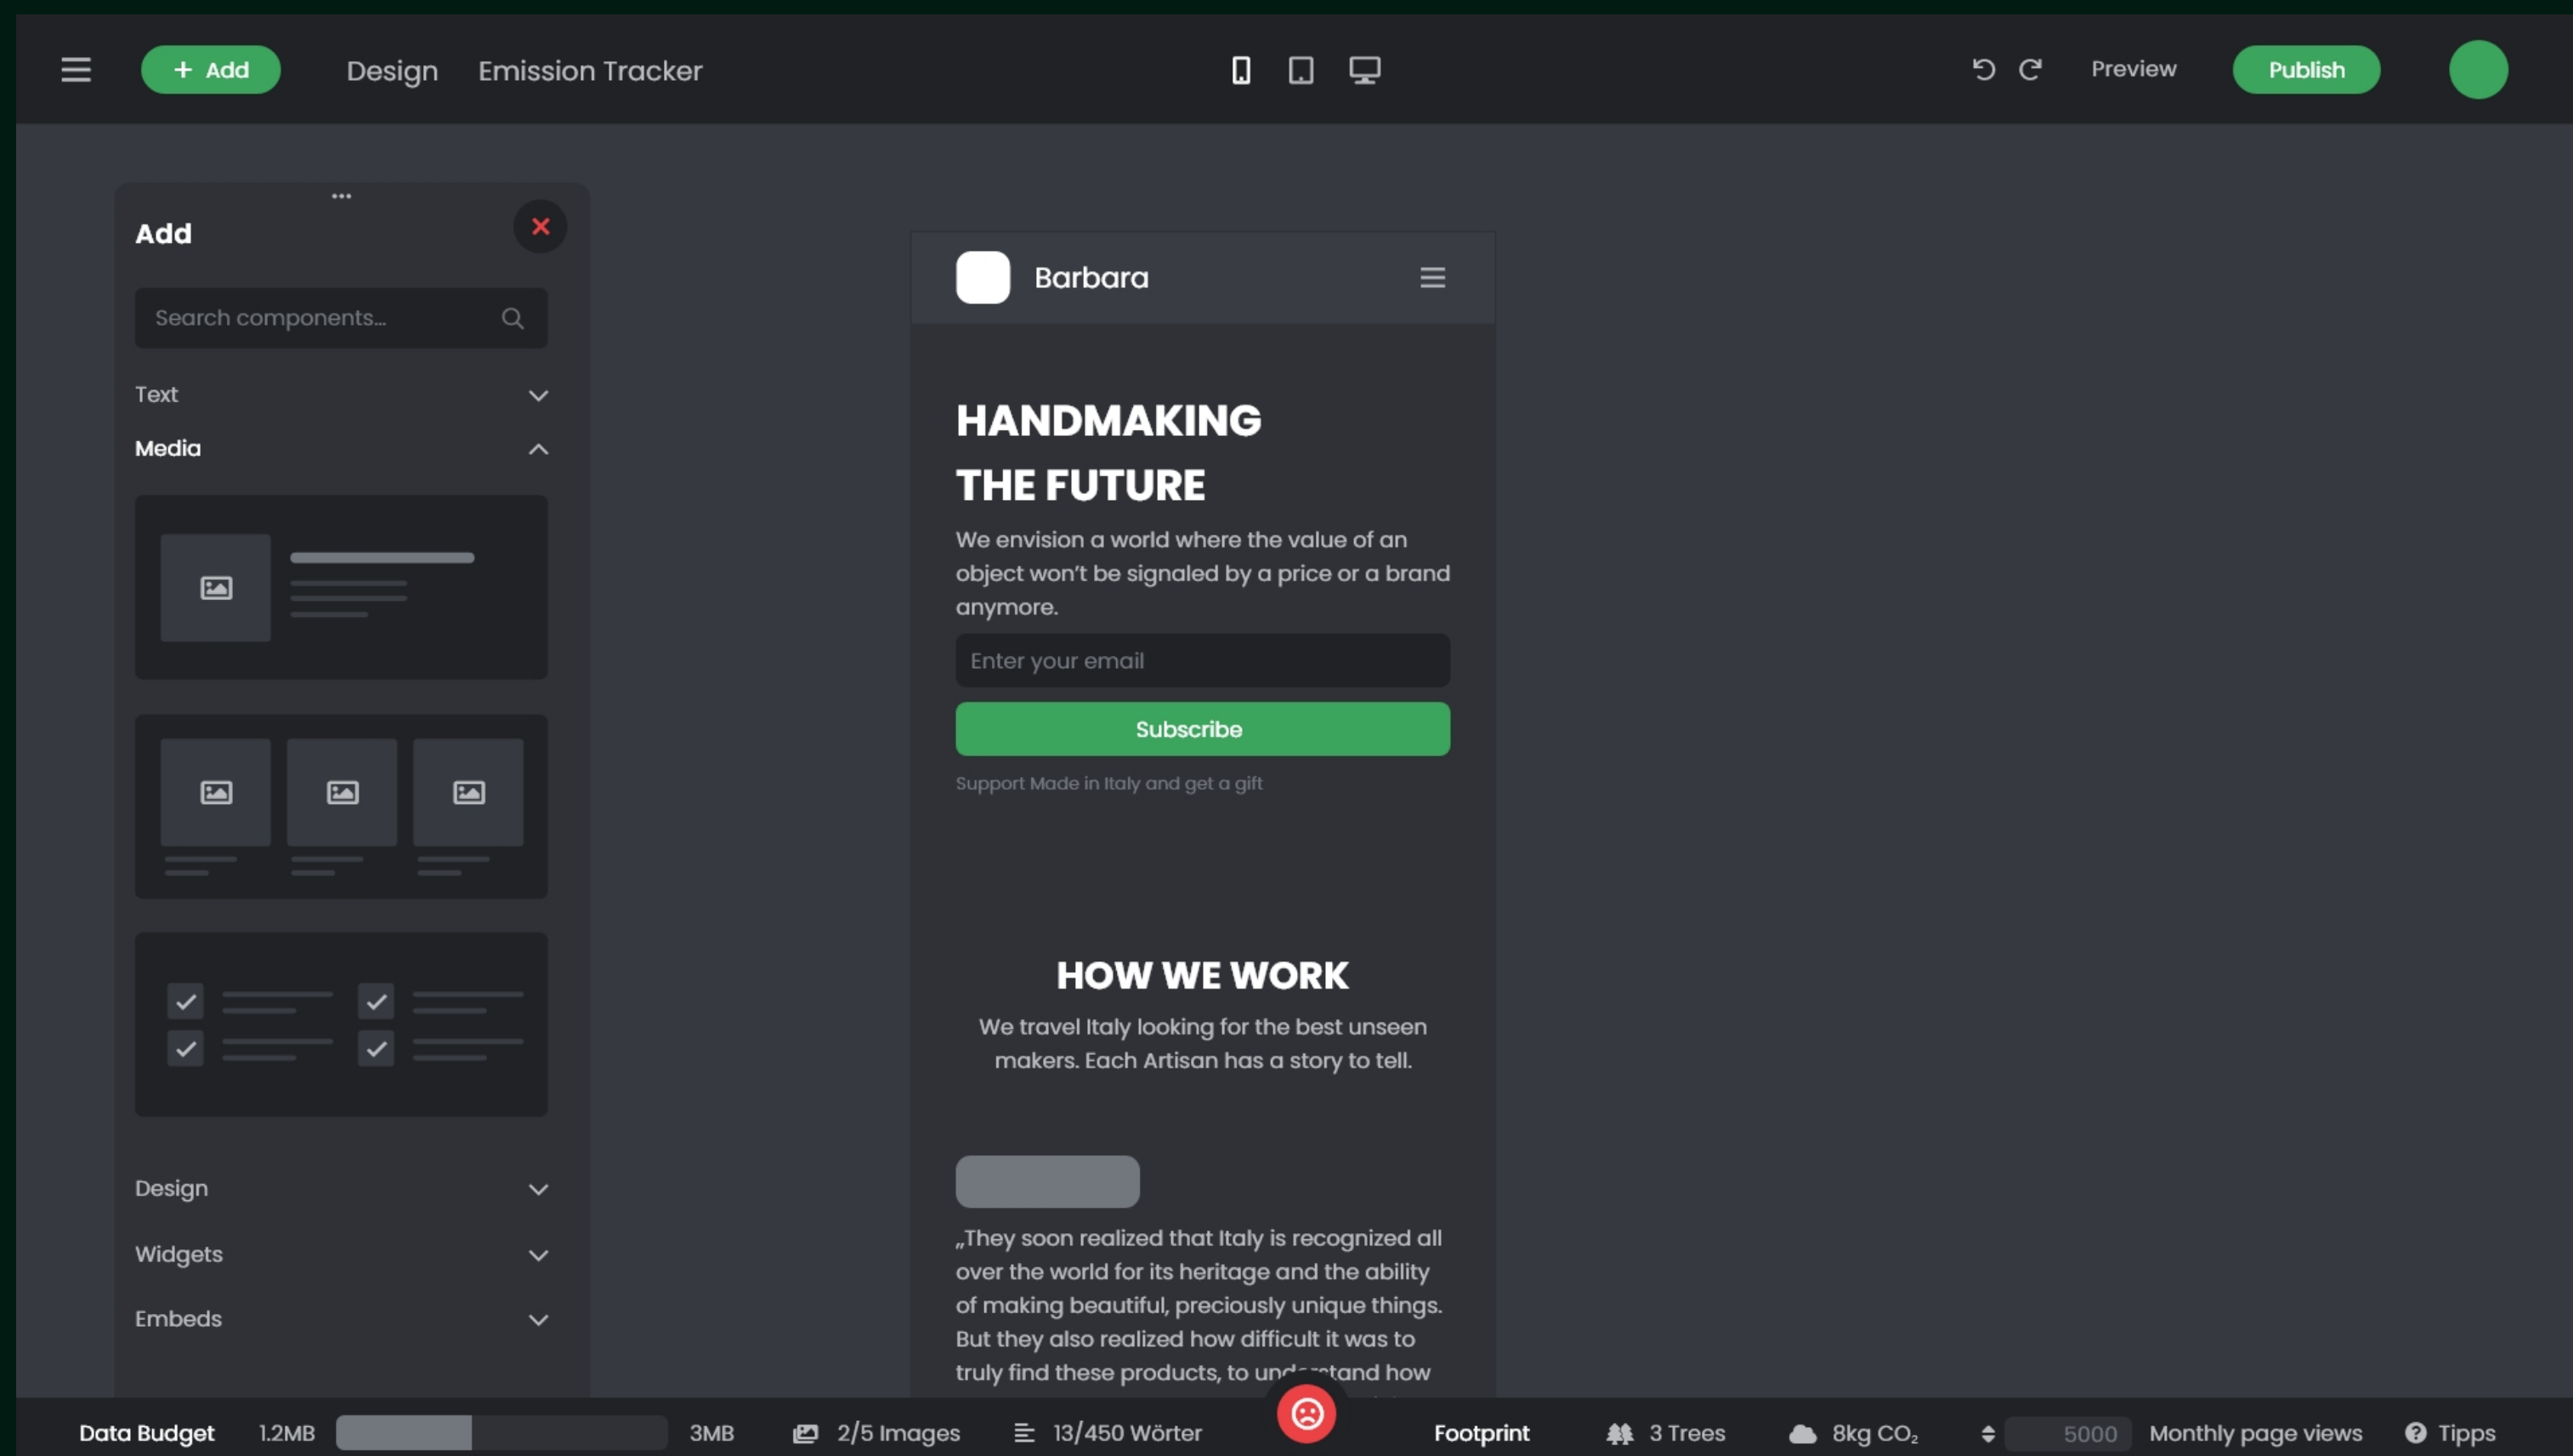

Simple website builder

Low impact on the world

3 simple goals for a good visual design

1. Gentle on Resources

Dark Mode

2. Simple and easy to use

Beginner

Only few functions on first look

Enhanced usability

More room to breath

3. See your Impact

Improved toolbar

Check your data budget

See your CO₂ impact

GUI Kit
